

Curriculum Vitae

Name Balázs Surányi
Citizenship Hungarian
E-mail suranyi@nytud.hu

Areas of research

syntax, syntax/semantics interface, syntax/information structure interface,
interface of information structure and prosody,
experimental pragmatics,
syntax of Hungarian, syntax of English

Academic positions

from 2020 Hungarian Research Centre for Linguistics, Eötvös Loránd Research Network,
research professor

from 2012 Pázmány Péter Catholic University, Department of Theoretical Linguistics
full professor

2012–2019 Research Institute for Linguistics of the Hungarian Academy of Sciences
research professor

2009–2012 Pázmány Péter Catholic University, Department of Theoretical Linguistics
associate professor

2008–2012 Research Institute for Linguistics of the Hungarian Academy of Sciences
senior researcher

2007–2008 Research Institute for Linguistics of the Hungarian Academy of Sciences
researcher

2004–2007 Research Institute for Linguistics of the Hungarian Academy of Sciences
postdoctoral researcher

before 2004 Utrecht Institute of Linguistics, Universiteit Utrecht, doctoral researcher
Eötvös Loránd University, Department of English Linguistics, lecturer
Pázmány Péter Catholic University, Department of English, lecturer

Guest professorship

Fall 2013 Potsdam University, guest professor (W3) (4 months)

Short study visits (≥1 week)

February-March 2015	Goethe University Frankfurt
May 2015	Potsdam University
June 2010	HUB, Brussels

Degrees, academic titles

June 2011	Doctor of the Hungarian Academy of Sciences (habilitation) title of habilitationschrift: <i>Freedom of Word Order and Domains for Movement: A flexible syntax of Hungarian</i> Score: 100/100
2003	Universiteit Utrecht, PhD program PhD in Linguistics, 2003 advisors: Prof. Eric Reuland, Prof. Tanya Reinhart, co-advisor: Prof. É. Kiss Katalin
1999	MA in Theoretical Linguistics, Eötvös Loránd University, Budapest (with distinction)
1998	MA in English Language and Literature, Eötvös Loránd University, Budapest (with distinction)

Other training in linguistics

1999–2002	LOT summer schools (each year: Potsdam, Tilburg, Utrecht, Nijmegen)
2000–2002	LOT winter schools (each year: Leiden, Amsterdam, Leiden)
1995–1998	Generative Linguistics in Eastern Europe (GLEE) summer schools (each year; Olomouc, Debrecen, Plovdiv, Blagoevgrad)

Prizes, awards and scholarships*

2015	Eötvös State Scholarship (for research)
2011	Bolyai Plaquette (for research)
2011	Pázmány Plaquette (for teaching and research)
2007	Junior Prize of the Hungarian Academy of Sciences (for research)
2007–2010	Bolyai János Research Scholarship (evaluation: <i>outstanding</i>)
2004–2007	HSRF Postdoctoral Scholarship
2004	Grant of the European Summer School in Logic Language and Information (ESLLI)
2003	Békésy György postdoctoral scholarship (Hungarian Ministry of Education)

* After MA degree.

- 1999–2002 PhD scholarship of the University of Utrecht
1999 Soros Foundation postgraduate scholarship

Research projects

Group project grants obtained and supervised as PI or co-PI

- 2021–2023** *Moldva Hungarian: Corpus development and grammatical research.* Thematic Research Project of the Eötvös Loránd Research Network (PI)
Hungarian Research Centre for Linguistics, Eötvös Loránd Research Network
Project team members: Katalin É. Kiss, Veronika Hegedűs, Barbara Egedi, Tamás Halm, Nikolett Mus, Péter Rebrus, Ágnes Bende-Farkas, Elvira Eris, Noémi Vadász, Bálint Sass, Ágnes Kalivoda
- 2020–2024** *The effect of prosody on word order: A complex interface-based approach to the post-verbal domain of OV languages.* (PI)
HSRF project (no. K-135958)
Hungarian Research Centre for Linguistics, Eötvös Loránd Research Network
Project team members: Jelena Borise, Andreas Schmidt, Katalin Gugán, Nikolett Mus, Erika Asztalos, Gergő Turi
- 2019–2022** *Theoretical and Experimental Linguistics* (PI)
2020-4.1.1-TKP2020-NKA-11;TKP-33-1/PALY-2020
Pázmány Péter Catholic University
Project team members: Tamás Halm, András Cser, Katalin Balogné Bérces, Ágnes Piukovics, Bálint Tóth, Máté Gulás, Lilla Pintér, Puyu Ning
- 2018–2022** *The role of focus in sentence comprehension: An experimental investigation of focus-identification and focus-interpretation in Hungarian pre-school children and adults.* (PI)
HSRF project (no. KH-130558)
Research Institute for Linguistics of the Hungarian Academy of Sciences
- 2011–2016** *Division of labor between linguistic subsystems in the expression of quantifier scope.* (PI)
HAS Momentum project (no. 2011-013),
Research Institute for Linguistics of the Hungarian Academy of Sciences
Project team members:
Dr. Anna Babarczy, Dr. Katalin Mády (on an individual postdoctoral project grant), Mátyás Gerócs (until 2014), dr. István Fekete (until 2014), Andrea Deme (2012, part-time assistant)

- 2011–2015** *Division of Labour in the Grammar of Scope: The interaction of syntax with semantics, information structure and prosody in the generation of scope effects.* (PI)
 HSRF project (no. NF-84217)
 Research Institute for Linguistics of the Hungarian Academy of Sciences
 Project team members: Csaba Olsvay, Gergő Turi, dr. Beáta Gyuris, Prof. Katalin É. Kiss, dr. Ágnes Bende-Farkas, dr. Krisztina Szécsényi, + research assistant;
 associated members: dr. Shinichiro Ishihara, dr. Anikó Csirmaz
- 2013–2014** *The prosody of focus, topic and givenness in Hungarian: An integrated approach to the mapping between information structure and sentence prosody.*
 DAAD–MÖB German–Hungarian researchers’ exchange project
 Co-PIs: Balázs Surányi (HAS), Shinichiro Ishihara (UFrankfurt)
- 2008–2011** *A minimalist approach to syntactic locality. A study of the division of labour of linguistic subsystems underlying syntactic locality effects.* (PI)
 HSRF project (no. NF-73537)
 Research Institute for Linguistics of the Hungarian Academy of Sciences
 Project team members: dr. Huba Bartos, dr. Ágnes Bende-Farkas (until April 2009), Barbara Ürögdi (PhD student), Csaba Olsvay (PhD student), Ádám Szalontai (PhD student) (from summer 2009), Dániel Szeredi (research assistant), dr. Szécsényi Krisztina (November 2011); associated members: dr. Shinichiro Ishihara (Potsdam/Frankfurt), dr. Janina Rado (Tübingen), Fabian Schubö (Frankfurt) (from 2010), Jonathan MacDonald (University of Illinois at Urbana-Champaign) (from 2010)
- 2010–2011** *Locality effects and focus structure: Evidence from Hungarian*
 HSRF IN researchers’ exchange project,
 Project members:
 Dr. Jutta Hartmann (Tübingen), Prof. Susanne Winkler (Tübingen), Dr. Aniko Lipták (Leiden), dr. Shinichiro Ishihara (Frankfurt), dr. Janina Rado (Tübingen), dr. Huba Bartos + research assistant

Participation in group research projects as member

- 2019–2022** Researchers’ exchange project, collaboration of the Research Institute for Linguistics of the Hungarian Academy of Sciences and the University of Tartu, Estonia
- 2014–2015** *JelEsély: A magyar jelnyelv sztenderdizációjának elméleti és gyakorlati lépései*
 TÁMOP 5.4.6/B-13/1-2013-0001 (theoretical linguist expert)
 Research Institute for Linguistics of the Hungarian Academy of Sciences (PI: Csilla Bartha)

- 2012–2016** *Comprehensive Grammar of Hungarian*
 HSRF grant no. NK-100804
 Research Institute for Linguistics of the Hungarian Academy of Sciences
 (PI: Prof. István Kenesei)
- 2009–2010** *The division of labour between syntax and prosody: A comparative study of Hungarian focus-/wh-prosody in focus-/wh-constructions*
 DAAD–MÖB German–Hungarian researchers’ exchange project (no. P-MÖB-851)
 Members: Prof. Katalin É. Kiss (Hungarian PI), dr. Balázs Surányi, dr. Ágnes Bende-Farkas, Prof. Caroline Féry (German PI), Prof. Malte Zimmermann, dr. Shinichiro Ishihara, 2 Hungarian PhD students, 1 Hungarian MA student, 2 German PhD students, 1 German MA student
 Co-authors of research programme: Balázs Surányi, Shinichiro Ishihara, Prof. Malte Zimmermann
- 1999–2002** *Multiple Operator Movements in Hungarian*
 Individual PhD research project within the research group *Language in Use*, Utrecht Institute of Linguistics OTS, University of Utrecht (PI: Prof. Eric Reuland)

Grant for the development of research infrastructure

- 2012** *A new Experimental Linguistics Research Lab: Applying online research methods in language processing and speech*
 Grant for the development of infrastructure for outstanding research activities, Hungarian Academy of Sciences (cca. EUR 100.000)

Other grant application activities

- 2005** Specific Support Action project, 6th Framework Program of the European Commission, Priority 7
 Title: *Dimensions of Linguistic Otherness* (co-author of project proposal together with Dr. Csilla Bartha) (awarded: EUR 220.000)
- 2005** NKTH Mecenatúra grant to support participation in the 6th Framework Program (together with Dr. Csilla Bartha)

Teaching

Supervision of PhD students

- Barbara Ürögdi (Eötvös University, Graduate School of Linguistics) (graduated: 2012)
- Diána Varga (Pázmány University, Graduate School of Linguistics) (graduated: 2014)
- Ádám Szalontai (Eötvös University, Graduate School of Linguistics) (graduated: 2019)
- Júlia Keresztes (Pázmány University, Graduate School of Linguistics) (graduated: 2019)

- Gergő Turi (Pázmány University, Graduate School of Linguistics) (graduated: 2020)
- Anikó Grósz (Pázmány University, Graduate School of Linguistics) (2011-2019)
- Puyu Ning (Pázmány University, Graduate School of Linguistics, co-supervisor: Prof. Z. D. Kádár) (expected date of defense: 2022)
- Bálint Tóth (Pázmány University, Graduate School of Linguistics) (from 2017)
- Máté Gulás (Pázmány University, Graduate School of Linguistics) (from 2021)

Supervision of MA and BA theses

2005–2008 Eötvös University, School of English and American Studies (four MA theses)

2011–present Pázmány University, Department of English and Department of Theoretical Linguistics, (six theses completed)

Extracurricular supervision for competitions / students' research projects

2021–2022 Máté Gulás, New National Excellence Program project for PhD students

2021 Máté Gulás (winner of 2nd prize, National Scholarly Student Circle)

2020 Péter Hatvani (finals, National Scholarly Student Circle)

2017–2018 Bálint Tóth, New National Excellence Program project for PhD students

2017–2018 Gergő Turi, New National Excellence Program project for PhD students

2016 Tóth Bálint, Pázmány University, Dept of Theoretical Linguistics (co-supervised together with Katalin É. Kiss) (winner of 1st prize, National Scholarly Student Circle)

2011 Júlia Keresztes, Pázmány University, Dept of English

2005 Andrea Márkus, Eötvös University, Dept of English Linguistics (winner of 1st prize, National Scholarly Student Circle)

Service on doctoral defense committees as opponent

2017 Lilla Pintér, *A kimerítő értelmezés elsajátítása különböző fókusz típusok esetén* [The acquisition of exhaustive interpretations in different focus types].

(Pázmány University, Graduate Programme in Linguistics)

2014 Gizella Nagy, *Left dislocation in Optimality Theory*

(Eötvös University, Graduate Programme in English Linguistics)

2013 Mária Patona, *Topik- és fókuszjelenségek a lengyel nyelvben* [Topic and Focus Phenomena in Polish]

(Pázmány University, Graduate Programme in Linguistics)

2012 Gergely Kántor, *Syntactic Processes and Interface Phenomena in Comparatives*
(Eötvös University, Graduate Programme in English Linguistics)

2009 Krisztina Szécsényi, *An LF-driven Theory of Scrambling in Hungarian Infinitival Constructions*

(University of Szeged, Graduate Programme in Theoretical Linguistics)

2005 Miklós Gáspár, *Coordination in Optimality Theory*
(Eötvös University, Graduate Programme in English Linguistics)

Service on doctoral defense committees as member

- 2021** Tímea Bánki, *A spanyol és a magyar nyelv információs szerkezetének összehasonlítása és ennek pedagógiai vetülete.*
(Pázmány University, Graduate School in Linguistics)
- 2019** Holecz Margit, *Vizuális fonológia bimodális kétnyelvűségben - Nyelvi gyakorlatok, változatosság, és az oktatásban való alkalmazás lehetőségei* [Visual phonology in bimodal bilingualism].
(Eötvös University, Graduate School in Linguistics)
- 2016** Tamás Halm, *The grammar of free-choice items in Hungarian*
(Pázmány University, Graduate Programme in Linguistics)
- 2016** Márta Zita Szűcs, *A célzás, a metafora és az irónia megértésének kognitív, nyelvi és metapragmatikai összefüggései óvodáskorban*
(Pázmány University, Graduate Programme in Linguistics)
- 2016** Orsolya Tánczos, *Causative constructions and their syntactic analysis in the Udmurt language*
(Pázmány University, Graduate Programme in Linguistics)
- 2013** Bence Kas, *Morfoszintaktikai képességek specifikus nyelvjelődési zavart mutató és tipikusan fejlődő magyar gyerekeknél*
(Budapest University of Technology and Economics, Graduate School in Psychology, Graduate Program in Cognitive Science)
- 2009** László Drienko, *A Linguistic Agreement Mapping-System Model*
(Eötvös University, Graduate Programme in Theoretical Linguistics)
- 2007** Tamás Eitler, *Some Sociolectal, Dialectal and Communicative Aspects of Word Order Variation in Late Middle English*
(Eötvös University, Graduate Programme in English Linguistics)

Launching and coordinating a university degree program

- 2020–** Specialization in Theoretical Linguistics, BA program in Liberal Arts, Pázmány University
- 2011–2018** MA in Digital Humanities, a joint MA program of the Faculty of Humanities and the Faculty of Information Technology of Pázmány University
(co-founder and co-coordinator, Prof. Gábor Prósztéki)

Other service

- 2015** National coordinator for new directives for Theoretical Linguistics MA degree programs

Regular courses taught

- from 2009** Pázmány University, Department of Theoretical Linguistics and School of English:
4-5 courses per semester, two semesters per academic year
Regular courses:
BA level:
Introduction to English linguistics (seminar)
Syntax 1 (lecture), Syntax 2 (lecture)
English syntax (lecture), Advanced English Syntax (elective course)
MA level:
Linguistic Theories (lectures), Syntax (lecture), Advanced Syntax (lecture),
Fieldwork (seminar)
PhD level:
Introduction to Syntax (lecture), Hungarian syntax (seminar), Minimalist syntax
(seminar), The syntax of focus (seminar), topical advanced seminars
- 2000–2004** Eötvös University, Dept of English Linguistics
4 courses per semester, two semesters per academic year
Regular courses:
BA level:
English phrasal syntax (lecture and seminar), English clausal syntax (lecture and
seminar)
Introduction to Linguistics (seminar),
MA level:
Advanced Generative Syntax (elective course)

Invited courses

- 2017** *Szintaxis: Témák a magyar mondattan köréből.* Invited mini lecture course at IX.
Nyelvtudományi Szuperkurzus, 22-25 January 2017, University of Pécs
(Hungary)
- 2013** *Information Structure in Hungarian: Recent advances and new perspectives*
Graduate lecture course (16 hours + appointments), 30 October–20 December
2013
Department of Linguistics, University of Potsdam (Germany)
- 2010** *The flexibility of syntax: An interface perspective (on Hungarian)*
Invited graduate lecture course for the students of HUB and the University of
Ghent (12 hours + 4 one-hour appointments), June 2010
Center for Research in Syntax, Semantics and Phonology (CRISSP), Hogeschool-
Universiteit Brussel (Belgium)

Summer schools organized

- 2013** SCILLS 2013 summer school, Pázmány University, August 2013
<http://scills.btk.ppke.hu/>
- 2012** SCILLS 2012 summer school, Pázmány University, August 2012

Development of postgraduate training in linguistics

- 2012–2013** Small Grant project, International Visegrad Foundation
Title: *Second Central European Conference in Linguistics for Graduate Students*.
Partner institutions: Pázmány Péter Catholic University, John Paul II Catholic University, Lublin, Palacky University, Olomouc, Constantine the Philosopher University, Nitra
Description: Within the frame of this project and the one below I founded the international postgraduate conference series called *Central European Conference in Linguistics for Graduate Students (CECIL'S)*, which has its 4th conference in Lublin in 2014.
- 2011–2012** Small Grant pályázat, International Visegrad Foundation
Title: *Central European Conference in Linguistics for Graduate Students*.
Partner institutions: Pázmány Péter Catholic University, John Paul II Catholic University, Lublin, Palacky University, Olomouc, Comenius University, Bratislava
- Feb 2012–
Jan 2014** In the frame of an EU-funded TÁMOP grant to develop graduate level training at Pázmány Péter Catholic University, together with Prof. Katalin É. Kiss we coordinated a development programme for the Graduate School in Linguistics, within which we organized intensive course, summer schools, training workshops and student conferences.
- 2011** Establishing a new Erasmus connection between the departments of English and Theoretical Linguistics of Pázmány University and their counterparts at the University of Geneva.

Service

Journal editing

- 2022–** *Journal of Uralic Languages*. (John Benjamins) Founding co-editor: Prof. Anders Holmberg.
- 2012–2021** *Finno-Ugric Languages and Linguistics* (<http://full.btk.ppke.hu>)
Founding co-editor, co-editors: Prof. Anders Holmberg, Prof. Paul Kiparsky

Editing of book series

2021– *Általános Nyelvészeti Tanulmányok.* (Akadémiai)

Committee memberships

2021– Committee for Linguistics, Hungarian Academy of Sciences
2021– Habilitation Committee, Faculty of Humanities, Eötvös Loránd University
2021– Committee for Doctoral Affairs, Faculty of Humanities, Szeged University
2019– Doctoral and Habilitation Committee, Pázmány Péter Catholic University
2019– Scientific Committee of the Faculty of Humanities and Social Sciences
2019– Research Council, Hungarian Research Centre for Linguistics
2019– Directorial Board, Hungarian Research Centre for Linguistics

Committee leadership

2019– Doctoral and Habilitation Committee, Faculty of Humanities and Social Sciences, Pázmány Péter Catholic University

Administrative leadership functions (Pázmány University)

2019– head of the Doctoral School in Linguistics
2015– head of department, Department of Theoretical Linguistics

Reviewing for research funds and accreditation bodies

2020 reviewer of research grant, Leuven University
2020 reviewer of research grant, Bolyai Research Grant
2019 reviewer of research grant, Austrian Science Fund (FWF)
2019 reviewer, evaluation of doctoral school, Hungarian Accreditation Committee
2019 reviewer of research grant, Bolyai Research Grant (three proposals)
2017 Premium Postdoctoral Grant, humanities panel, Hung. Acad. of Sciences
2016 Humanities Panel, Momentum grants, Hung. Acad. of Sciences
2016 Humanities Panel, HAS Research Groups, Hung. Acad. of Sciences
from 2015 reviewer for professorial appointments, Hungarian Accreditation Committee
2015 reviewer for MA program accreditation, Hungarian Accreditation Committee
2009– linguist member of the Committee for Humanities of the Hungarian Scholarship
Dec 2012 Board

- 2012** Humanities in the European Research Area (HERA), Joint Research Project (JRP) expert reviewer
- 2012** Italian Agency for the Evaluation of Research and Universities (ANVUR), review of the period of 2004-2010, expert reviewer
- from 2010** Fonds National de la Recherche Scientifique, Belgium, expert reviewer (in several years)
- from 2010** Hungarian Scientific Research Fund, reviewer (in several years)

Reviewing for journals

- Journal of Linguistics
- Natural Language and Linguistic Theory (four times),
- Canadian Journal of Linguistics (twice),
- Theoretical Linguistics,
- Frontiers in Psychology
- Syntax,
- Acta Linguistica Hungarica (twice), Acta Linguistica Academica
- Linguistic Inquiry (three times),
- Linguistics,
- Lingua (four times),
- Phonology,
- Jezikoslovlje (twice),
- Roczniki Humanisticzne,
- Néprajz és Nyelvtudomány (twice),
- LingDok (twice),
- Nyelvtudományi Közlemények,
- Általános Nyelvészeti Tanulmányok (four times)
- Argumentum
- Linguistica
- Jelentés és Nyelvhasználat
- Beszédtudomány-Speech Science
- Glossa (three times)
- Studia Linguistica
- Magyar Nyelv
- Linguistic Analysis

Reviewing for book publishers

- Oxford University Press (three times),
- The MIT Press,
- Mouton de Gruyter (six times),
- Springer (five times),
- John Benjamins (four times)

- Akadémiai,
- Osiris,
- Tinta (twice)

Abstract reviewing for international conferences

2020	<i>GLOW 43</i> (Berlin)
2020	<i>SinFonIJA 13</i> (Novi Sad)
2020	<i>Speech Prosody 10</i> (Tokyo, online)
2019	<i>SinFonIJA 12</i> (Brno)
2019	<i>BLINC 2019</i> (Budapest)
2019	<i>GLOW 42</i> (Oslo)
2019	<i>International Conference 12nt he Structure of Hungarian 14</i> (Potsdam)
2018	<i>Speech Prosody 9</i> (Poznań)
2018	<i>SinFonIJA 11</i> (Kraków)
2018	<i>GLOW 41</i> (Budapest)
2018	<i>Beijing Argument Structure and Event Structure Workshop (BASES)</i> (Beijing)
2018	<i>Olinco 2018</i> (Olomouc)
2017	<i>SinFonIJA 10</i> (Dubrovnik)
2017	<i>GLOW 40</i> (Leiden)
2016	<i>GLOW 39</i> (Leipzig)
2015	<i>GLOW 38</i> (Paris)
2015	<i>SinFonIJA 8</i> (Ljubljana)
2015	<i>International Conference on the Structure of Hungarian 12</i> (Leiden)
2015	<i>CECILS5</i> (Olomouc)
2015	Linguistic and Cognitive Aspects of Quantification (Budapest)
2015	<i>BLINC</i> (Budapest)
2014	<i>SinFonIJA 7</i> (Graz)
2014	<i>CECILS4</i> (Lublin)
2014	<i>Olinco 2014</i> (Olomouc)
2014	<i>DiGS 16</i> (Budapest)
2013	<i>GLOW 37</i> (Brussels)
2013	<i>SinFonIJA 6</i> (Nis)
2013	<i>OLinCo 2013</i> (Olomouc)
2012	<i>GLOW 36</i> (Lund)
2012	<i>SinFonIJA 5</i> (Vienna)

- 2011 *GLOW 35* (Potsdam)
- 2011 *International Conference on the Structure of Hungarian 10* (and *Workshop on Uralic and Scandinavian*) (Lund)
- 2010 *SinFonIJA 3* (Novi Sad)
- 2009 *International Conference on the Structure of Hungarian 9* (Debrecen)
- 2009 A ConSOLE 18 (Barcelona) (international PhD student conference)
- 2006 *International Conference on the Structure of Hungarian 8* (New York)

Conferences and workshops organized

- 2008 Pre-EGG 2008 Budapest Syntax Workshop (Budapest, main organizer)
- 2009 *A Minimalist Approaches to Syntactic Locality* conference (Budapest, main organizer)
- 2009 *Head Movement and Locality* workshop (Budapest, main organizer)
- 2009 *Second Budapest Workshop on Generative Syntax* (Budapest, main organizer)
- 2011 *Central European Conference in Linguistics for Graduate Students* (Pázmány University, main organizer)
- 2011 *Teaching Linguistics: Why? What? How?* (main organizer)
Workshop at the 10th Conference of the Hungarian Society for the Study of English (HUSSE10), 28 January 2011
- 2011 *SinFonIJA 4* (Budapest, co-organizer)
- 2012 *Second Central European Conference in Linguistics for Graduate Students* (Pázmány University, main organizer)
- 2013 *The Syntax-Information Structure Interface in Finno-Ugric*, thematic workshop, *Grammar and Context 2013* conference, Tartu (Estonia), 6 June 2013 (co-organized with Orsolya Tánzos)
- 2013 *Third Central European Conference in Linguistics for Graduate Students* (Piliscsaba, main organizer)
- 2013 *10th International Conference on the Structure of Hungarian* (Piliscsaba, co-organized with Katalin É. Kiss, István Kenesei)
- 2014 *Fourth Central European Conference in Linguistics for Graduate Students* (Lublin, co-organizer, main organizer: Anna Bondaruk)
- 2015 *Fifth Central European Conference in Linguistics for Graduate Students* (Olomouc, co-organizer, main organizer: Ludmila Veselovska)
- 2017 *13th International Conference on the Structure of Hungarian* (Budapest, co-organized with Veronika Hegedűs)
- 2017 *Conference on the Syntax of Uralic Languages 2017* (Budapest, co-organized with Orsolya Tánzos)
- 2018 *Sign Language Syntax and Linguistic Theory* (Budapest, GLOW workshop, main organizer)

- 2019** *14th International Conference on the Structure of Hungarian*
(Potsdam, co-organizer, main organizers: Malte Zimmermann, Mira Grubic)
- 2021** *15th International Conference on the Structure of Hungarian*
(Pécs, co-organizer, other main organizers: Gábor Alberti, Judit Farkas)

Membership in societies

- Societas Linguistica Europaea (SLE) (from 2009, intermittent)
- International Society for the Linguistics of English (ISLE) (founding member) (from 2008, intermittent)
- European Association for Logic, Language, and Information (FoLLI) (2004–2006)
- Generative Linguists of the Old World (GLOW) (2003–2004)
- Magyar Nyelvtudományi Társaság (MNYT)
- Hungarian Society for the Study of English (HUSSE)
